

FuelMor and P3 Propane Safety Announce New Integration

FOR IMMEDIATE RELEASE

P3 Propane Safety and FuelMor are pleased to announce that FuelMor propane software has begun the process of integration with the P3 Compliance System.

FuelMor offers an economic, browser-based software as a service solution with easy-to-use back office, routing, and delivery capabilities for propane marketers of all sizes.

P3 Propane Safety is the industry standard for safety documentation and regulatory compliance. It currently assists hundreds of propane marketers across the country increase efficiency and reduce their documentation error rate with functionalities such as multiple-choice dropdown menus rather than empty form fields.

Kelly Engel, President of FuelMor, said, "We are excited to collaborate with P3 Propane Safety towards our shared objective of leveraging today's technology to benefit our mutual customers."
